

500mg CBDA Isolate

Natural / 30 servings

Our latest innovation in hemp is our line of CBDA products in 500mg Isolate. Available in Natural flavor, this tincture provides protection against environmental stressors, and assists the body in achieving overall homeostasis. The Isolate flavor has a mild hemp flavor. Green Compass products contain hemp grown with our very own, NC hemp flower extract, traceable from our farms to your family.

We Believe There is Hope in Hemp.

*Always consult your physician before using any CBD products.

*All Green Compass products, including Broad Spectrum and Boost, could contain very trace amounts of THC that are below detectable levels by our third party lab tests. Products are tested by using liquid chromatography, detecting THC levels over 100 PPM. If you are subject to drug testing then you may want to consult with the testing facility and your employer before using these products. Green Compass cannot guarantee the outcome of customer drug tests.

*These products are not approved by the FDA, and not intended to diagnose, treat, mitigate, cure or prevent any disease.
