FOUNDERS STORY

WHAT EXACTLY IS *CBD and hemp?*

- Fastest growing health and wellness category
- CBD is the Hemp Flower Extract = Cannabidiol
- CBD vs. THC – CBD has no psychoactive properties and is safe for daily use
- CBD supports the Endocannabinoid system

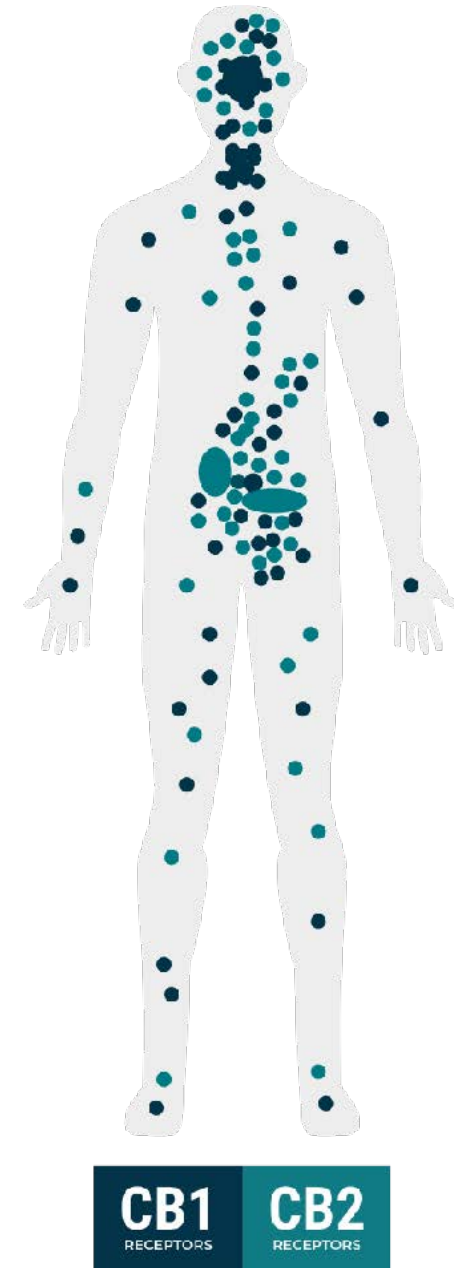

C L E A N - L A B E L

HOW EXACTLY DOES *CBD* work?

- All mammals have an Endocannabinoid system (ECS)
- The ECS receptors can assist in managing pain, stress, sleep, appetite, motor & neurological functions
- Daily CBD use boosts ECS system and increase balance in the body and mind
