PREFERRED CUSTOMER

HEMP FOR ALL, EVEN PETS.

At Green Compass, we are harnessing the power of clean, organic hemp for the good of humanity and pets. This treat is grown with bio-enhanced broad spectrum nano hemp flower extract, made with extra love from our family to yours.

Our naturally-flavored super blend is put into a soft chew for our furriest family members. It also helps increase activity in pets, promotes wellness after healthy exercise, boosts a sense of calm, supports healthy cartilage and decreases inflammatory response and levels.

A happy family starts with a happy, healthy pet.

BENEFITS:

- Organic Hemp Flower Extract promotes a sense of calm in pets
- Fortified with Glucosamine to help increase activity in pets and promote wellness
- Supports a healthy inflammatory response
- Enhances bone and joint health
- Supports healthy cartilage
- Helps joints to move smoothly
- Promotes healthy joint lubrication

*Always consult your physician before using any CBD products.

*All Green Compass products, including Broad Spectrum and Boost, could contain very trace amounts of THC that are below detectable levels by our third party lab tests. Products are tested by using liquid chromatography, detecting THC levels over 100 PPM. If you are subject to drug testing then you may want to consult with the testing facility and your employer before using these products. Green Compass cannot guarantee the outcome of customer drug tests.
